

## Breastfeeding Friendly Business Scheme

Thank you for your interest in becoming a Breastfeeding Friendly business.

Joining the scheme means your business will become a Breastfeeding Friendly Business, which is a great way to improve your customer service offer, attract new business, promote customer loyalty and provide opportunities for positive publicity.

Please find our [Breastfeeding Friendly Business brochure](#) for your consideration, I would be more than happy to answer any queries you might have. I have also provided our [Healthworks Brochure](#) as there are many wellbeing at work services and other training courses that you may also be interested in.

If you would like an informal chat about how we can tailor our programme to meet your business needs, please do get in touch.

Kind regards

Jo
